Liability Insurance: For the duration of this contract and for limits not less stated below, the Contractor shall carry (i) general liability insurance (either primary or a combination of primary and umbrella coverage) with limits of not less than \$1,000,000.00 total with a maximum of \$500,000.00 for each occurrence and shall include, but not be limited to, personal injury, property damage, vandalism, property loss and theft; (ii) comprehensive automotive liability insurance concerning owned and rented vehicles operated by the Contractor with limits of not less than \$500,000.00 bodily injury per occurrence, \$500,000.00 property damage or combined single limit of \$500,000.00; and (iii) Workman's Compensation coverage in an amount adequate to comply with the statutory requirements. The City's **Bid #22-23** must appear on any/all copies of the certificate of insurance.

All such insurance shall be provided by a policy or policies issued by a company or companies qualified by law to engage in the insurance business in the State of Alabama with a rating of B+ or better according to the most current edition of Best's Insurance reports. Bidder is to provide written documentation of the company's rating with their bid.

The Contractor may use umbrella or excess liability insurance to achieve the required coverages, provided that such umbrella or excess insurance results in the same type of coverage as required for the individual policies. These insurance requirements are in addition to and do not affect any indemnification obligation of the Contractor herein.

City Additional Named Insured: Except for Worker's Compensation coverage, all coverages shall contain endorsements naming the City, and its officers, employees and agents as additional named insured with respect to liabilities that out of and result from the operations of the Contractor or the performance of its work.

The additional named insured endorsement shall not limit the scope of coverage to the City to vicarious liability but shall allow coverage for the City to the fullest extent provided by the policies. Such additional insured coverage shall be at least as broad as Additional Insured endorsement from ISO, CG 2010.1185.

Policies Primary: All insurance policies required herein are to be primary and non-contributory with any insurance or self-insurance program administered by the City.

Waiver of Subrogation: Contractor shall require the carriers of the above-required insurance coverage to waive all rights of subrogation against the City, and its officers, employees, agents, contractors and subcontractors. Further, Contractor hereby waives any rights of subrogation against the City. All general or automotive liability coverage provided herein shall not prohibit the Contractor or its employees, agents or representatives from waiving the right of subrogation prior to loss or claim.
